

Holiday Homes Rules of Occupancy

- The member booking the home, using his/her Victoria Police registered number, or the member's spouse or partner **must** be an occupant of the home for the whole period of occupancy.

** Where this is not the case, the occupants will be required to vacate the home immediately.*

- The homes are not available for occupation prior to **2.30pm** on the first day of rental.
- The homes must be vacated by **10am** on the day of departure.
- The accommodation is restricted to the rental of the unit/house as described in our correspondence. No other structure is permitted on the property at any time (i.e. tent, caravan or similar).
- The Association's insurance does not cover theft of personal items owned by the tenant while occupying any of our holiday homes. The member should ensure that personal belongings are covered under the Temporary Removal Clause in your policy.
